BEST OF BREED

27. GCHG CH WAVEMAKER NONESUCH

Breeder: J & L Caswell

Owner: J & L Caswell

Adult male black brindle who was the winner today, is a dog with a lot of power but at the same time very balanced, with a very suitable physical condition for his age and is a dog that is in the ideal size for a male, with a very well developed head and adequate proportions, with a good bite and with teeth of adequate size and complete, round eyes, in good size as a position, ears in good position, gives a very nice and clean expression, the neck quite strong and of adequate length which is implanted very well with the top line.

The topline is adequate and with good musculature, it ends in a well-implanted tail and of good size which I would like to have better grooming to have a cleaner and more beautiful appreciation, the lower line is good too, it is not a sagging dog and has strong ribs, a chest of the right depth, it is not a short dog but not long either, very good angulations in the forequarters which makes it have a good range, unfortunately due to the height of the grass it was not so easy to appreciate the fingers but in reality they are very good and what is sought in the breed, in the hindquarters the angulations are good which makes the dog move well and denotes agility.

He was always very outgoing, when I gave him the award for the best breed he even wanted to bite the rosette, it denotes being a very cheerful and self-confident dog, he was very well presented.

BEST OF WINNERS

24. BREWLINS THE BEST OF NOTHING

Breeder: Linda Ringle & Jane Lasher
Owner: Christina Shepley & Molly Best

Young female of a lot of power but at the very balanced, very nice combination of colors in black brindle and white, for her age she has a very good development, medium size, presented very well and with older age she will be able to be in fit condition for her future shows, she has a great future, a very nice and strong head, of adequate proportions but I would like it to be a little cleaner, with a good bite and with teeth of adequate size, eyes of good round shape and very expressive although I would like them to be a little darker, in good size as a position, ears in good position, gives it a hard expression, the neck quite strong and of adequate length which gives it a feeling of power.

The topline is adequate and with older age she will be able to have better muscles, the tail well implanted and of good size which I would like to have better grooming to have a cleaner and more beautiful appreciation, the lower line is good too, she has ribs of good shape and also a deep breast, she is a good bitch of high by long proportions, very good angulations in the forequarters and hindquarters what was noticed in the movement, denotes strength in the movement.

Nice temperament, she was very well presented and it was nice to know after the show that she became champion with the points she won in the show, congratulations.

BEST OF OPPOSITE SEX
08. CH NOCTURNE MIDNIGHT SUN
Breeder: Jessica Yeagle
Owner: Mary Phalon & Jessica Yeagle

Champion female but still young, very balanced, with combined colors of black brindle and white that make her very striking as well very good development, good size, in total fit condition which is adequate, has a very nice and strong head, of adequate proportions, good bite and with teeth of adequate size, the eyes are of good round shape and very expressive as well as very dark, in good size as a position, ears in good position, Nice expression in general, the neck quite strong and good length which gives it a feeling of power and elegance at the same time.

The topline is adequate and with a lot of muscles, the tail well implanted and of good size, the lower line is also good and being in fit condition you can appreciate it very well, she has ribs of good shape and could be a little deeper in chest, she is a good bitch of high proportions by length, Very good angulations in the forequarters but I would like his forehead to be more plumb, in the hindquarters it is with adequate angulations which was denoted in the movement which is correct.

Nice temperament, she could improve a lot in his presentation to reach better positions in the future.

SELECT DOG

21. GCHS PINNACLE'S KEYSER SOZE

Breeder: Justin & Monica McGrew
Owner: Justin & Monica McGrew

Adult male that by all means is a very strong and striking dog, it is a dog with a lot of power, with good physical condition but could be a little lighter, it is a dog that is in the ideal size for a male, with a very well developed head and adequate proportions, with a good bite and with teeth of adequate size and complete, round eyes, in good size as a position, ears in good position, gives him a very nice and hard expression, it is in itself the expression of this dog what stands out the most about him since it is a very striking expression, the neck quite strong and of adequate length and very strong which is implanted very well with the top line.

The topline is adequate and with good musculature, it ends in a well-implanted tail and of good length, although I would like it to be slightly less high on the back, the lower line is also good and has strong ribs, a broad and strong chest, it is slightly long but compensates for it with its depth and size, good angulations in the forequarters but could be better to support its movement, in the hindquarters the angulations are extraordinary which makes the dog move well, it denotes strength although in his presentation he looked a little apathetic and unwilling for the show, if he had been with more attitude it could have been a better day for him.

It is a dog that will contribute a lot to the breed in the United States hoping to transmit that expression.

SELECT BITCH 28. GCH NOCTURNE BREAKING THE SILENCE

**Breeder: Jessica Yeagle
Owner: Jessica Yeagle**

A great champion female who is still young, but has a great development for her young age, she is a strong female, of black brindle that makes her very striking. Good size, in good condition but I would like to be a little more in fit condition, it has a very nice and strong head, of adequate proportions although I would like slightly shorter muzzle, good bite and with teeth of adequate size, I would like to be stronger lower jaw, the eyes are of good size and I would like them to be a little rounder, very dark which is adequate, very expressive, in good size as position, ears in good position, beautiful expression in general, the neck quite strong and of good length which gives it a feeling of power and elegance at the same time.

The topline is adequate and with a lot of muscles, the tail well implanted and of good size, the lower line is also good and being in better physical greed it would look better, it has ribs of good shape and is very deep in chest, it is a good bitch of high proportions by length, very good angulations in the forequarters and its front is well plumb, in the hindquarters it is with adequate angulations what was denoted in the movement which is correct.

Nice temperament, very serene and relaxed, she presented herself very well.

AWARD OF MERIT 09. GCHB MANORVIEW'S LUCKY CHARM

**Breeder: Toni Pawson
